

Brand Protection Services for Independent Artists

*Contact cheryl@Qti.ai for other rates, such as those for our evidentiary data services.

Infringing List Only

\$99.
one-time fee

Qti.ai will send you a list of current URLs that allegedly display unauthorized versions of your product images. You can then submit takedown requests on your own, and pursue legal action if you choose.

MOST POPULAR

\$149.
per month

Let us consistently monitor your brand across global ecommerce platforms. We'll identify probable copyright infringements, and initiate takedowns for you. Get one month FREE when you pay for 12 in advance!

Competitive Analysis

\$399.
one-time fee

Gain insight into online shops selling similar products or services. Take advantage of our deep data to understand your competitors, adjust your prices, and improve your shop's performance around the world.

How may we help you?

Please provide a few details so we can customize our consultation for you.
Thank you for trusting us to help protect your brand. We look forward to working with you!

Your Name: _____ Email Address: _____

Name(s) of Shop(s): _____

Your active ecommerce site(s) such as Etsy, Shopify, eBay...

Your active social media such as Facebook, Instagram...

Briefly, please explain your biggest concern(s) related to brand protection:

Have you registered your business with any legal authority? If yes, please explain.

Have you registered any type of Intellectual Property (such as product photos) with any legal authority? If yes, please explain.
